

## **The Gary Williams/ Mary Jane McGinty Bar Passage Assistance Fund**

An unforeseen obstacle or financial difficulty should not impede your journey toward success in law school or bar licensure. If you are experiencing a financial barrier or emergency, applying for relief from the Gary Williams/Mary Jane McGinty Bar Passage Assistance Fund (the "Fund") might help.

### **Definition of Financial Emergency**

For purposes of this program, a "financial emergency" shall mean either:

1. An unforeseen or reasonably unavoidable expense that could impede a student's success in law school, or
2. An unforeseen or reasonably unavoidable expense that could impede a student's ability to sit for or pass the Multistate Professional Responsibility Exam (the "MPRE") or bar exam.

### **Fund Limits**

The number of students who can be served by the Fund is subject to the availability of funds. The Fund must be sustained by continual contributions from alumni, parents, faculty, staff and friends of Cleveland State University College of Law. For this reason, requests for funds are limited to \$750. Requests for funds above the limit may be considered in exceptional circumstances (defined as extraordinary hardships that significantly exceed typical financial challenges). Please consult with the Senior Assistant Dean for Student Success prior to making such a request.

### **Expenses Covered by the Fund**

Possible expenses covered by the Fund include, but are not limited to:

- Reimbursement or payment of fees related to registration as a candidate, application to take the bar, and other related filing fees associated with the bar exam or MPRE

- Reimbursement or payment of costs associated with childcare for graduates studying for the bar exam
- Reimbursement or payment of costs associated with tutoring for graduates studying for the bar exam, MPRE, or a law school exam

- Reimbursement or payment of costs associated with any other expense reasonably calculated to assist students with their legal studies in law school or graduates with taking and passing the bar exam or MPRE
- Reimbursement or payment of costs associated with any other financial barrier that may negatively impact a student or graduate's success in law school, the bar exam, or any other licensing requirement
